A Note From Cireus

Hey, guys It's been awhile, I know, and I also realize that many people are wondering just what happened to our scanlation group Let me start off by apologizing As many of you who frequent the forums know, 2008 has literally KICKED MY ASS, in every sense of the term I've had so much to deal with this year, particularly from July onward, that, in many ways, I was unable to function in anything but the basest of capacities, and because of that, I have to apologize for MYSELF, and, unfortunately, my inability to function also impacted Cireus-Scans. See, I typeset PGE, Stigmata, Phantom Wizard, and Reideen. I also edit Sayonara Zetsubou Sensei and Wind Up Tina so I guess you can figure out what happened there Everything came to a screeching halt, and for that, I absolutely and sincerely apologize

My mother in law passed away in July, and that sort of set off a chain of events that escalated to my father in law moving in with us for awhile, and while it was what he needed, I ended up pretty much being the babysitter for the duration. Mind, I had no issue doing this, but well, I had no time left for anything else, and by the end, I was so emotionally drained that it just wasn't funny Then the recession REALLY hit us, and between stressing out over funds to keep the website up and running (THANKS to the FANTASTIC forumers!!!!) we were able to pay the bills and are hoping to raise enough money to purchase more server space

And then there was the HUGE problem We ran out of PGE raws We had all the raws through vol 20 but nothing else. Now I HAVE to pause here to give a LARGER THAN LIFE shout-out to forumer cynsny Because of her generosity, I now have vols 21 and 22, and we're back on track.

So what does all this mean? Well, it means that the chapters I've got in stock from our FAN-FRIGGING-TASTIC translators are in typeset (or done) and we're shooting for a mass release sometime this month.
What do we already have? Well ...

* PGE 81 (typesetting)
* PGE 82 (translating)
* Wind Up Tina c 5 (typesetting)
* Sayonara Zetsubou Sensei c 22 (grammar edit)
* Phantom Wizard c 15 (edit/proof)
* Stigmata c 8 (finalizing)

And with any LUCK, we'll have a few more surprises in stock, too

Lastly, a HUGE thank you to everyone who has expressed their concern and their love and best wishes.
We swear, we won't leave you hanging!!!

With all my affection,

Cireus

Wind Up

First Greeting!!!

Hello! This is Ayumi Yui
This would be my first tankoubon this year. "Wind Up Tina", Volume 1
It's been awhile since I came up with a new title, so you could say I'm happy, yet I'm nervous, too.
So please enjoy reading it!

First an apology (laugh)
I know I said in the end of my last work, "Delicious" that, "I will draw my next project all by myself," and so on but, well, I'm sorry (laugh). This time I had help with the original work, too, from Akitaka Mika-sensei!

Well, I'll be more detailed now, though I always write this and, you know it very well, here I go to the ones who always read "Tina" at "Nakayoshi", to the ones who bought this tankoubon, to Akitaka-sensei's fans who read it while thinking, "And who is this Ayumi person?" and to the ones who, one way or another, ended up with this manga in their hands.
Please enjoy reading it!

This is for the my first fantasy work at "Nakayoshi". If I could be satisfied with it I'd say it's incredible -INCREDIBLE!

I'm happy

今回の「ティナ」は原作の明貴先生が
キャラクターのデザインもされているので、ますます
設定をいただいて、あれみなりに描きおこして

こんなかたぶん、いちばん最初に描いたティナ。
自分が描きやすい 顔を描いてるんで、（だから
「りんごちゃんに似てますねー」とかいわないように！(笑)
あれみの中では ティナの目元に下まつげつけても
りんごちゃんにはならないんだけど。）あまり変わってないかな？
'99年の6月頃の絵なんですが。
顔の横のふわっとした 髪のこんが
あまりつかめなくて、迷ってるカンジ…（笑）。

そういえば『ティナ』から目の描き方変わりました。（ちなみにイロイロ考えたんです。）
あんまり指摘されないですけんど（笑）、
いちばん服にトーンをつかうので、

あゆみが先に描いた旅人さんって、こんなで全部です…(笑)。リないです。

まだボンやりしたカンジの旅人さんですが、だんだんたくましくなっていって くれるといいなーと思ってます。

こんな顔も→ すきのでしょーか?(笑)

あゆみは思って描いてますが(…にしては決めてません でしたぬ(笑)).
ちなみにティは13歳くらいです。

びみょうに なんかがちがう…(笑)。
マルイチ マルニは よくプロフのカットでも描いてくれんと依頼がくるのですが、その依頼に「その1 その2」って あったんですよ(笑)。ちがうだろ。
「①、②」…っていうのも ii
Dr.ヘンケラーのカットも多いです。
でも明貴せんせのカラーの設定がないしさ
